

Invitation to CATCH

CATCH is a personal network for internationals in Denmark, and we thought of you!

The first CATCH network was launched in 2008. The name CATCH derives from one of our core values: Catch Eachother Doing Things Right! – and just like we have caught people, these networks have been caught by many. We are now ready to kick-off our 5th network, this time an international one.

Our dream

Our dream for each CATCH network is to establish a place where you can renew your energy and gain meaningful insight. We want groups of people, driven by development of themselves and others. There will be presence, intensity and a great element of thought-stretching.

Our intention

It is our intention to gather a group of people who will passionately contribute to the agenda and the debates on the subjects chosen by the group itself. We want heated exchanges, energy and a strong desire to develop yourselves and people around you.

Our contribution

When we meet, two things will always be on the agenda. Your personal and your professional development. We will contribute ourselves, and in addition we will bring competencies within the group into play. The aim is to send you off with greater energy than you arrived with.

Who did we ask?

YOU amongst others!! We look for people with passion, people who are not afraid to state their opinion and who understands the importance of listening to and respecting the opinion of others. We have asked people dealing with leadership one way or the other. We have looked for people from the private and the public sector, as well as from the world of sports and culture.

The setting

We will meet in rather informal conditions and surroundings, a different place everytime, but always with the sky as the limit. We know that location matters, so be prepared for inspiring settings!

The form and substance

CATCH consists of four meetings distributed evenly over the year. If you miss out on one meeting, there are still three good meetings left. We will take care of all logistics such as invitations, food, summary of meetings etc.

- 1ST. MEETING – KICK-OFF 12-16 O’CLOCK
Setting the group. We agree on the psychological contract, setting and content, and mutual expectations.
- 2ND. MEETING – PRESENTATION AND DIRECTION 09 – 17 O’CLOCK
This day is a mixture of processes and pitches we contribute with. You will get to know eachother and experience the potential of the group.
- 3RD. MEETING – FOCUS ON A TOPIC AND THOUGHT-STRETCHING 10 – 17 O’CLOCK
We will focus on the topics you decided upon. It will still be a mixture of pitches and exercises. We will stretch thoughts on the topics both in the group and in pairs.
- 4TH. MEETING – FOCUS ON TOPICS AND THOUGHT-STRETCHING 12 – 16 O’CLOCK
Same procedure as last time. Furthermore you agree on the future meeting structure. We (Lindeblad) will continue to act as administrators and facilitators for the group.
